

Partners

Agnitio Advisors works with a number of knowledge leaders in the Software Asset Management (SAM) market. The vendors below are all committed to working with Agnitio Advisors to improve SAM processes, procedures, policies and tools for companies world-wide.

ManageSoft

ManageSoft is the leading supplier of Enterprise Software Management solutions that include compliance products to optimize license and maintenance expenditures, as well as, software deployment products that provide the lowest cost and lightest weight architecture to enable automatic software, patch, and operating system installations. We enable a quick baseline to be established, immediate notification of compliance drift, and recommendations for resolution.

The company's products are based on open industry SAM, ISO and ITIL standards and ManageSoft contributes to defining future standards with membership in IBSMA, IAITAM, itSMF, BSA, and Microsoft SAM. ManageSoft has developed key business partner relationships with HP, IBM, Microsoft (Gold Certified), and Siemens services. The company is headquartered at 101 Federal St, Boston, MA. 02110.
