Roger Wittlock
AstraZeneca

Sandeep Handa
Adobe Systems

Steve Mullins
ManageSoft Corp

Steven Klos
Agnitio Advisors

Tony Crawley

Thanks go out to all who continue to work on the standard and show their dedication to ISO standards and the development of improved SAM capabilities.

If anyone is interested in working on this standard, please send an e-mail to steven.klos@agnitioadvisors.com who is the convener of the group. The standard will be available for public review at the end of January and the middle of April.
