

ISO/IEC 19770-1 Assessment Tool Released

Agnitio Advisors has released an Excel template that can be used to assist in ISO/IEC 19770-1 Assessments. This tool utilizes the the Microsoft IO Maturity Model and provides a high level self-service assessment that can be used for internal corporate SAM Programs.

Agnitio Advisors has released an Excel template that can be used to assist in ISO/IEC 19770-1 Assessments. The tool utilizes the the Microsoft IO Maturity Model and provides a high level self-service assessment that can be used for internal corporate SAM Programs.

You can access this template by registering on this web site (see the login and registration details in the left hand column). Once you've registered and logged in, a new section, "download files" will be displayed. Navigate to this section and download the template.

Agnitio Advisors is interested in improving this assessment tool and will accept and act upon suggestions for improvement. Please use the forums to suggest features. Information regarding updates to the tool will also be posted on the forums.

We hope you like this assessment template and find it useful in understanding where your SAM program may benefit from additional resources or attention.
